

The Launch of EC-DEAL.com: Asian Products, Global Perspective

EC Group announced the launch of its global online store, EC-DEAL.com, with the focus of “Asian Products, Global Perspective.”

Hong Kong, China (PRWeb via [PRWeb](#)) August 31, 2006 — EC Group, a Hong Kong IT and online community developing company, has officially announced the launch of its first global online store, EC-DEAL.com, with the focus of “Asian Products, Global Perspective.”

EC-DEAL.com has put its focus on computer and consumer electronics products, which includes Digital Camera (DC), Portable Media Player (PMP), and TV related products.

“We have put lots of effort in choosing and importing various kinds of high quality consumer electronics products from China, Japan and many other Asian countries. And we sell them worldwide,” said Kenny Lam, Chief Operating Officer of EC Group.

“Many people from Asia start doing the same thing like us, but what we are different is about the quality. Product Reliability, fast delivery service and reasonable selling cost are some of our main goals”, Kenny Lam added.

Kenny Lam said, “We hope people who buy our products will have a different experience towards Asian products.”
